

## The Great Outdoors are Getting Better

Whether it's the crackle of the flames, the fresh air or the good company there is something about eating around a campfire that is just great.

On July 12<sup>th</sup> and August 9<sup>th</sup> join us for a special night of Luxury Camping with a Camp Fire Party to remember.

The Wood Oven is joining us with their famous Artisan Wood Fired Pizza, David Birmingham will entertain you with his Guitar and a throwback to our youth with Smores as the night progresses.

As the ambers glisten and the stars sparkle the night passes and memories are made.
