SEQUOIA GROVE 14.8% 2018 €450.00

Rutherford | Cabernet Sauvignon

Sequoia Grove began life in its current form in 1978 when James and Barbara Allen opened a winery in a 100 year old born beneath a grove of Sequoia trees. Located in the heart of Rutherford the vineyard is perfectly suited to benefit from the super climate, soil and expertise of this renowned wine region. A Bordeaux style wine with all the character of California. Cabernet Sauvignon excels in this region and Sequoia Grove excels in the wine. A marriage made in vine heaven.

PISONI ESTATE 14% 2021 €580.00

Santa Lucia Highlands | Pinot Noir

Harvested from the younger vines of the renowned Harlan Estate and its sisters vineyards, BOND and Promontory, Mascot began as a Harlan family wine for their own table. Since 1984 the wine has developed by the second generation of the family to become a serious wine in its own right. 2018 proved to be a complex season. Healthy rainfall in March and April preceded a dry summer but the unexpected early arrival of fog in September resulted in a harvest that was intense. The wine has proven to be one of hidden energy that illuminates the finish with lasting softness. A classic.

THE MASCOT 14.5% 2018 €760.00

Napa Valley | Cabernet Sauvignon

Gary Pisoni's dream achievement. A man devoted to making exemplary wines in small batches all his life. Each special, unique and always full of character. Since 1982 he has rebelled against the establishment, done it his way and has delivered in spades. Pisoni Estate wines are the pinnacle of California wines. The southerly location of Santa Lucia requires an understanding of soil, weather and plants like nowhere else. The Gary and his two sons have succeeded where many have failed. Their wines are much sought after and the complement of "the new face of Pinot Noir" is long buried. This is Pinot Noir at its very best.
